DBT sponsored
One day National Seminar on
"NutriGenomics & Proteomics: Manipulating Plant Biotechnology and Micronutrients to Improve Human Health- Future of Personalized Health Care in India"

15th September 2022

Registration Form

Name:.....

Degree: UG / PG / FACULTY

Designation:.....

Department:.....

Institution:.....

Mailingaddress.....

.....

Phone:.....

Mobile:.....

Email:.....

Demand Draft No. & Bank : …….....

Accommodationrequired:Yes /No

Date:
Place:
Signature

CHIEF PATRON

Sri. T.S.R.Khannaiyann,
Chairman
Smt.T.R.K.Sarasuwathi Khannaiyann,
Managing Trustee
Er. K.Priya Satish Prabu,
Secretary & Executive Trustee
Hindusthan Educational Institutions

PATRON

Dr.C.Natarajan,
Principal

CONVENER

Dr. B.Paulchamy,
Prof. & HOD / Dept .of ECE

CO-ORDINATOR

Ms.S.Brindha,
Assistant Professor / Dept .of ECE

The duly filled application form be sent to:

Mrs.S.Brindha
Assistant Professor
Department of ECE
Hindusthan Institute of Technology
Coimbatore - 641 032.
Contact no : 9791703096
E-mail :hit.ece@hindusthan.net

The details of this Seminar is available in the website http ://www.hit.edu.in/

One day National Seminar on
"NutriGenomics & Proteomics : Manipulating Plant Biotechnology and Micronutrients to Improve Human Health- Future of Personalized Health Care in India"

15th September 2022

Organised by
Department of
Electronics and Communication
Engineering

HINDUSTHAN INSTITUTE OF TECHNOLOGY
Othakkalmandapam, Coimbatore – 32
Approved by AICTE, New Delhi
&Affiliated to Anna University, Chennai,
Accredited with "A" Grade by NAAC And
Accredited with NBA
Phone:0422-2610833 Fax:0422-2610833

ABOUT THE COLLEGE

Hindusthan Institute of Technology is one of the leading Engineering Colleges imparting quality Technical Education to the aspirants from Tamilnadu and other neighboring states. It is run by Hindusthan Educational and Charitable Trust under the leadership of Sri.T.S.R.Khannaiyann and Smt. T.R.K Sarasuwathy Khannaiyann.

The Institution was established in the year 2007 and is affiliated to Anna University Chennai. The Institution is well known for its high educational standards with excellent infrastructures, spread over 200 acres and is located on the Coimbatore - Pollachi National Highway. The Institution currently offers 7 UG and 3 PG programs.

ABOUT THE DEPARTMENT

The Department of Electronics and Communication Engineering was started in the year 2007 with vision to develop Centre of Excellence in the wide area of Electronics & Communication Engineering Field and to promote innovative research and development.

The department has well equipped laboratories with latest simulation Software and eminent faculty member with good academic records. Our Department got **Research Centre**Recognition from Centre for Research Anna University Chennai.Under R&D many students doing their project in our department itself.

VISION

To develop value based professionals with a strong foundation in Electronics and Communication Engineering and innovative technical skills with eminent leadership qualities and ethical conduct.

MISSION

MD1: To establish a conducive and inspiring learning environment towards value based education.

MD2: To educate the students with the state of art technologies to meet the growing challenges of the industry and to guide them towards research in varied fields.

MD3: To provide a quality system for wholesome learning to achieve progress and prosperity in life along with moral values.

ABOUT THE SEMINAR

The aim of this seminar is to enhance the knowledge and persuade an exchange between the academic groups that focus on NutriGenomics & Proteomics for Manipulating Plant Biotechnology and Micronutrients to Improve Human Health- Future of Personalized Health Care in India. It also aims to provide an open and stimulating scientific and cultural exchange that will give all the participants the opportunity to share their experiences, foster collaborations across industry and academia and evaluate emerging technologies across the globe. This Seminar shall also provide an opportunity for NutriGenomics & Proteomics for Manipulating Plant Biotechnology and Micronutrients to Improve Human Health.

This event aims to build bridges across relevant application areas, between science & engineering and Innovation & technology.

TOPICSCOVERED

- Nutrigenetics and Nutrigenomics
- Nutrigenetics/Nutrigenomics in Cancer Control and Management
- Evaluation of Evidence from Nutrigenetic
- Role of proteomics in nutrigenomics and nutrigenetics
- Proteomics in nutrition
- Nutritional improvements in plants: time to bite on biofortified foods
- Biotechnology: a solution for improving nutrient bioavailability
- Nutrient biofortification of food crops
- Biotechnology, biofortification, and global health
- Clinical genetic testing for diagnosis of hereditary diseases
- Treatment for genetic disorders

ELIGIBILITY

Faculties from Engineering colleges, Research Scholars, Industrial Persons and UG & PG students are eligible for the Seminar.

ACCOMMODATION

Accommodation and boarding if required will be provided in the college premises on chargeable basis.

REGISTRATION

All participants have to pay Rs.200.00 as registration fee by Demand Draft in favour of 'The Principal, Hindusthan Institute of Technology', Payable at Coimbatore.

SCHEDULED DATE

Last date for receipt of application	: 05.09.2022
Intimation of Selection by email	: 09.09.2022
Confirmation by Participants	: 11.09.2022
