Science and Engineering Research Board (SERB) Sponsored
One Week National Level Workshop
on
"Next-Generation Energy Storage Materials: Battery Technology for E-Vehicles, Smart Innovative Glove Box Design and Recycling Techniques for Lithium-Ion Batteries in India"

25.03.2024 - 29.03.2024

Registration Form

Name:.....

Degree: UG / PG / FACULTY

Designation:.....

Department:.....

Institution:.....

Mailingaddress.....

.....

.....

.....

Phone:.....

Mobile:.....

Email:.....

Demand Draft No. & Bank :

……

…….....

Accommodationrequired:Yes /No

Date:
Place: Signature

CHIEF PATRON

Sri. T.S.R.Khannaiyann,
Chairman

Smt.T.R.K.Sarasuwathi Khannaiyann,
Secretary

Dr. K.Priya,
Executive Secretary
Hindusthan Educational Institutions

PATRON

Dr.C.Natarajan
Principal

ORGANIZING SECRETARY

Dr. B.Paulchamy
Prof. & HOD / Dept .of ECE

CONVENER

Dr.S.Kavitha
Professor / Dept. of ECE

COORDINATORS

Mrs.S.Suganya
Assistant Professor / Dept. of ECE
Mr.R.Karuppusamy
Assistant Professor / Dept. of ECE

The duly filled application form be sent to:

Mrs.S.Suganya.,M,.E.,(Ph.D)
Assistant Professor / Dept. of ECE
Hindusthan Institute of Technology
Coimbatore - 641 032.
Contact no : +91 9865528497
E-mail :suganya.s@hit.edu.in

The details of this Seminar is available in the websitehttp://www.hit.edu.in/

Science and Engineering Research Board (SERB) Sponsored

"Next-Generation Energy Storage Materials: Battery Technology for E-Vehicles, Smart Innovative Glove Box Design and Recycling Techniques for Lithium-Ion Batteries in India"

25.03.2024 - 29.03.2024

METHOD TO RECYCLE A LITHIUM-ION BATTERY

Organised by
Department of
Electronics and Communication Engineering

HINDUSTHAN INSTITUTE OF TECHNOLOGY
Othakkalmandapam, Coimbatore – 32
Approved by AICTE, New Delhi &Affiliated to Anna University, Chennai,
Accredited with "A" Grade by NAAC And Accredited with NBA
Phone:0422-2610833 Fax:0422-2610833

ABOUT THE COLLEGE

Hindusthan Institute of Technology is one of the leading Engineering Colleges imparting quality Technical Education to the aspirants from Tamilnadu and other neighboring states. It is run by Hindusthan Educational and Charitable Trust under the leadership of Sri.T.S.R.Khannaiyann and Smt. T.R.K Sarasuwathy Khannaiyann.The Institution was established in the year 2007 and is affiliated to Anna University Chennai. The Institution is well known for its high educational standards with excellent infrastructures, spread over 200 acres and is located on the Coimbatore - Pollachi National Highway. The Institution currently offers 6 UG and 4 PG programs.

ABOUT THE DEPARTMENT

The Department of Electronics and Communication Engineeringwas started in the year 2007 with vision to develop Centre of Excellence in the wide area of Electronics & Communication with latest simulation Software and eminent faculty member with good academic records. Our Department got **Research Centre**Recognition from Centre for Research Anna Engineering Field and to promote innovative research and development. The department has well equipped laboratories University Chennai.Under R&D many students doing their project in our department itself

OBJECTIVES

To understand fundamentals of battery technology and Lithium based battery chemistry

- To understand Li-ion battery pack, Battery Management System (BMS) and Li-ion for EVs
- To know about Lithium-ion battery manufacturing, supply chain, and market
- To know about battery safety aspects
- To understand career opportunities in energy storage sector
- To experience hands-on training on Li-ion batteries

ABOUT THE WORKSHOP

Due to several issues, including a rise in global energy consumption, dwindling fossil fuel supplies, and global warming, the globe is pursuing clean energy. Every day, a significant amount of energy is used around the globe. As a result, extensive research has been done to identify extremely effective techniques for storing and converting necessary energy. Lithium-ion batteries, sodium-ion batteries, and hybrid supercapacitors are a few examples of energy-storage devices that have been widely researched for power sources with high energy/power density and long operation lifespan. This workshop will provide fundamentals to researchers working on energy storage materials.

WORKSHOP BENEFITS

- Certificate to the participants on successful completion of the course.
- Course materials and stationery/consumable items will be provided to the participants

TOPICS TO BE COVERED

R&D

- **Next-Generation Battery Research**
- **Battery Recycling Lithium-ion Battery**
- **Development & Commercialization**

MANUFACTURING

- **High-Performance Battery Manufacturing**
- **Global Supply Chain for Battery Raw Materials**
- **Lithium-ion Battery Development & Commercialization**
-

APPLICATION

- **Advances in Automotive Battery Applications**
- **Grid-Scale Energy Storage**
- **Battery Power for Consumer Electronics**

ENGINEERING

- **Battery Safety**
- **Battery Management Systems**
- **Sodium-ion Batteries**
- **Battery Safety & Abuse Tolerance Validation**
- **Technoeconomic Analysis**
- **In-Depth Analysis of the Indian xEV Battery Industry & Solid-State Batteries**
- **Technical Approaches to Li-ion Battery Recycling**
- **Accelerating EV Battery Design through Simulation & Cell and Pack Design**
- **Improving the Energy Density of Batteries with Silicon-Based Anodes**
- **Latest Developments on the Safe Transport and Storage of Lithium Batteries**
- **Li-ion Battery Safety & Thermal Runaway**
- **The Rechargeable Battery Market: Value Chain & Main Trends**
- **Safety, Reliability & Performance for Energy Storage Projects**
- **Li-ion Cell Design for Manufacturing**
- **Cell Passport—Designing Li-ion Rechargeable Cell Data Sheets & Battery Sustainability**

RESOURCE PERSONS

Academicians from IISc/IITs/NITs/VIT, Professionals from CDAC and industries are invited to deliver lectures in the STC

ELIGIBILITY

The faculty, Post Doc., Ph.D. scholars, PG/UG students, and working professionals from various industries can attend this STC

ACCOMMODATION

Accommodation and boarding if required will be provided in the college premises on chargeable basis.

REGISTRATION

All Students/Raculty/Research Scholar have to pay **Rs.300/Rs.400/Rs.500** as registration fee by Demand Draft in favour of **'The Principal, Hindusthan Institute of Technology', Payable at Coimbatore.**

SCHEDULED DATE

Last date for Receipt of Application: 18.03.2024
Date of Intimation to Participants: 20.03.2024
Confirmation by Participants : 22..03.2024
