## ABOUT THE CONFERENCE:

The Aim of this National Level Conference on "Innovations In Electronics, Communication Systems & Information Technology"(NCIECIT 24) is to provide a dynamic forum for Researchers, Scientists, Technocrats, Academicians & Engineers across the world to showcase their expertise, talents and innovative ideas. This conference assures to provide an interactive platform for personnel's, participants and other delegates from industries. The theme establishes a focus on practical methodologies to analyze state of art developments & future trends relating to Science and Technologies.

## CALL FOR PAPERS:

Authors are invited to communicate their research work in the following areas of Electrical, Electronics & Communication networks. Selected research work will be published in the proceeding.

The topics of interest include but not limited to

- **Track 1: Electronic Engineering**
  Electromagnetic Compatibility
  Pulsed Power Technical and Applications
- **Track 2: Power Electronics**
  Power Electronic Converter Topologies, Design and Control
- **Track 3: Communication Technology**
  5G&Wireless Communication Systems
  Communication Equipment
  Wired/Wireless Telecommunications
  Optical Communication&
  Broadband Communication
  Analog/Digital Communication Systems
  Signal Processing and Coding Techniques
  Data Mining & Data Warehousing
  Network and Information Security
  Soft Computing Techniques
  Speech and Pattern Recognition
  Image Processing and Bio Metrics
  Internet Technologies
  AI/ML/DL
  Applications of Power ElectronicsInstrumentation
  VLSI and Embedded Systems
- **Track 4: Information Systems**
  New Generation Information Systems Engineering
  Agile Enterprise Models And Architecture
  Context-Aware And Adaptive Management
- **Track 5: Automation and Control**
  Adaptive Control
  Automated Guided Vehicles
  Biomedical Engineering and Bio systems Automation
  Control Education&Control Theory and Application

## ABOUT HITECH,COIMBATORE

Hindusthan Institute of Technology is one of the leading Engineering Colleges imparting quality Technical Education to the aspirants from Tamilnadu and other neighboring states. It is run by Hindusthan Educational and Charitable Trust under the leadership of Sri.T.S.R.Khannaiyann and Smt. T.R.K Sarasuwathy Khannaiyann.The Institution was established in the year 2007 and is affiliated to Anna University Chennai.The Institution is well known for its high educational standards with excellent infrastructures, spread over 200 acres and is located on the Coimbatore - Pollachi National Highway. The Institution currently offers 7 UG and 3 PG programs.

## ABOUT THE DEPARTMENT

The Department of Electronics and Communication Engineering was started in the year 2007 with vision to develop Centre of Excellence in the wide area of Electronics & Communication Engineering Field and to promote innovative research and development.The department has well equipped laboratories with latest simulation Software and eminent faculty member with good academic records. Our Department got **Research Centre** Recognition from Centre for Research Anna University Chennai.Under R&D many students doing their project in our department itself.

## VISION:

To develop value based professionals with a strong foundation in Electronics and Communication Engineering and innovative technical skills with eminent leadership qualities and ethical conduct.

## MISSION:

**MD1:**To establish a conducive and inspiring learning environment towards value based education.

**MD2:**To educate the students with the state of art technologies to meet the growing challenges of the industry and to guide them towards research in varied fields of Electronics and Communication Engineering.

**MD3:**To provide a quality system for wholesome learning to achieve progress and prosperity in life along with moral values.

## ABOUT THE CONFERENCE VENUE COIMBATORE

Coimbatore also known as Kovai is a major city in the Indian state of Tamil Nadu. Located on the banks of the Noyyal River surrounded by the Western Ghats, it is the second largest city in the state after Chennai and 16th largest urban agglomeration in India. It is one of the fastest growing tier-II cities in India and a major hub for textiles, industries, commerce, education, information technology, healthcare and manufacturing in Tamil Nadu. It is often referred to as the "**Manchester of South India"** due to its cotton production and textile industries. Coimbatore is also referred to as the "Pump City" and it supplies nearly half of India's requirements of motors and pumps. The city is one of the largest exporters of jewellery, wet grinders, poultry and auto components with "Coimbatore Wet Grinder" and "Kovai Cora Cotton" recognised as Geographical Indications by the Government of India.
