HINDUSTHAN INSTITUTE OF TECHNOLOGY

Department of Mechanical Engineering

VISION

To inculcate professionalism in the field of mechanical engineering for the students by providing quality education and learning opportunities to become an ethically strong engineers contributing the growth of the nation in future

MISSION

MD1: To promote quality technical education to the students that prepares then for professional engineering practice.

MD2: To frame the engineering students with high moral and ethical values.

MD3: To seek continuous improvement in the learning process of the students to enhance their technical skills.

PROGRAM OUTCOMES

PO1 ENGINEERING KNOWLEDGE:

Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems.

PO2 PROBLEM ANALYSIS:

Identify, formulate, review research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.

PO3 D E S I G N / DEVELOPMENT OF SOLUTION:

Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations.

PO4 CONDUCT INVESTIGATIONS OF COMPLEX PROBLEMS:

Use research- based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.

PO5 MODERN TOOL USAGE:

Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modelling to complex engineering activities with an understanding of the limitations.

PO6 THE ENGINEER AND SOCIETY:

Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.

PO7 ENVIRONMENT & SUSTAINABILITY:

Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.

PO8 ETHICS:

Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.

PO9 INDIVIDUAL AND TEAM WORK:

Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.

PO10 COMMUNICATION:

Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.

PO11 PROJECT MANAGEMENT AND FINANCE:

Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.

PO12 LIFE LONG LEARNING:

Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

PROGRAM SPECIFIC OUTCOMES

PSO1: Ability to find out, articulate and solve the industrial problems with the use of Mechanical Engineering tools.

PSO2 : Ability to automate a mechanical system or a process within the realistic constraints.

PSO3 : Develop students to work professionally in industries or to become an entrepreneur by applying Mechanical Engineering and management practices.

MESSAGE FROM CHAIRMAN

Shri.T.S.R. KHANNAIYANN

CHAIRMAN

HINDUSTHAN EDUCATIONAL AND CHARITABLE TRUST

I'm delighted to hear that the mechanical engineering department publishing throttle 2018 which kindles the inside fire as upcoming professionals. With the support of an up to date curriculum excellent infrastructure a team of experienced and enthusiastic faculty, an ambitious management system. We have been providing technical education of a very high quality in engineering, management and computer application. We consider it our moral responsibility to enable our students to face the challenges offered by the new world. I assured that mines of young professionals who are publishing throttle be fulfilled with knowledge and experience.

BEST WISHES…..

MESSAGE FROM SECRETARY

Smt. SARASUWATHI KHANNAIYANN

SECRETARY

HINDUSTHAN EDUCATIONAL AND CHARITABLE TRUST

The pride of every student and staff would be in his/her college. A college may reach heights of glory but without materials like a magazine, the outside world may not know of it. The role of a magazine is there- fore vital in promoting what an institution offers. It brings out into the open things hitherto unrevealed. It brings to light the names of the unsung heroes and their mighty deeds. I am happy that there is a dedicated team of staff and students who have brought out the magazine THROTTLE of our Department of Mechanical Engineering. They have presented the stupendous achievements of Hinduathanians in the fields of academics, research, sports and extra-curricular activities, in a nice way.

Throttle represents the collective work of the team. I wish the magazine a grand success.

MESSAGE FROM JOINT SECRETARY

Smt. PRIYA SATISH PRABU

JOINT SECRETARY

HINDUSTHAN EDUCATIONAL AND CHARITABLE TRUST

It is happiness unlimited to see Hindusthan Institute of Technology breaking barriers and moving forward confidently. The adage "Fortune favours the bold" is very true in the case of HIT. There is nothing absolutely nothing that stops the HIT juggernaut from rolling forward, going on boldly from one project to another leaving the spectators spell-bound. Everything that HIT touches turns into gold. All these things have been made possible by the extraordinary vision and the immaculate planning of our chairman, which when coupled with the skills of the staff have made the college scale new highs. This magazine brings out the notable achievements of HIT. I am sure that through these pages readers will get a bird's eye view of HIT and its wonders.

MESSAGE FROM PRINCIPAL

Dr.C.NATARAJAN

PRINCIPAL

HINDUSTHAN INSTITUTE OF TECHNOLOGY

It is a great pleasure to see the creative expressions of students who had contributed to THROTTLE. HIT has grown abundantly in the recent past. It continues to sustain its growth. People reading this magazine will realize the tremendous changes that are happening in the HIT campus. The magazine is presenting a glimpse of the growth of the institution on many fronts. The college has been simply unstoppable in its progress as it has been actively involved in various activities that have brought to light the hidden talents of the college students and staff. The highly qualified and dedicated members of staff have always stood shoulder with the management and have carried out their duties with a level of commitment.

This magazine has recorded achievements such as: conferences attended by staff members and students, competitions won by the hugely talented students, innovative projects carried out by students with the guidance of staff, among others. They stand as a witness to the monumental efforts taken by the management to make the college a centre of excellence in education and research.

MESSAGE FROM HOD

Dr.S.R.Rajabalayanan. BE., M.Tech., Ph.D.,

MISTE., MENA., MSAE.,MWCRE.,HEDON.,

Professor and Head

A weak link is better than a strong memory. Nothing exemplifies it better than the nostalgic feeling one gets when leafing through the dusty old pages of department magazine. It can make a reader travel down the lanes of memory, giving rise to a surge of emotions of many hues and colors HIT THROTTLE is going to give the same pleasure to all the brilliant minds who traverse through the portals of this temple of learning. I am happy to see the amount of enthusiasm of eminent members of the department to contribute to the magazine. Not to be outdone, our students have devoted time and plunged into creating powerful stories, heart-warming poems, vivid drawings and informative articles. I stand awed by the sheer number of articles that have come pouring in for the magazine. This shows the positive and creative energy of faculty members and students present in the college. We proudly publish the first department magazine in order to show to the outside world, and also to remind the denizens of Hindusthanians, the progress we have made so far. We intend to continue presenting the talent and creativity of our staff and students.

HINDUSTHAN INSTITUTE OF TECHNOLOGY

Hindusthan Institute of Technology was started in the year 2007 by the great industrialist and philanthropist, **Thiru.T.S.R.KHANNAIYAN.**

The primary objective of the Hindusthan Institute of Technology is to educate and prepare men and women for leadership in industry, government, and educational institutions; to advance the knowledge base of the engineering professions; and to influence the future directions of engineering education and practice.

The College has well furnished classrooms, state-of- the-art laboratories, computer centres and a well-stocked library. Separate Hostels with all the modern amenities are provided for men and women. The campus consists of lush green lawns, a playground and also facilities for indoor games. A fleet of vehicles caters to the transport needs.

HIT believes not only in educating the students, but also grooming characters, with moral and ethical values, thus building the nation. Since its inception, the college has been providing world-class facilities & infrastructure in education and learning. The emphasis is on transformational leadership rather than directional leadership. The aim is to establish new trends, introduce innovative training methodologies, and thus guide students towards the road to success.

The educational programs in the college emphasize the understanding of fundamental principles and prepare an individual for a lifetime of learning and professional growth. The College offers 6 undergraduate and 4 post graduate courses as detailed below

UG COURSES	PG COURSES
B.E MECHANICAL ENGINEERING	**MASTER OF BUSINESS ADMINISTRATION**
B.E COMPUTER SCIENCE ENGINEERING	**MASTER OF COMPUTER APPLICATIONS**
B.E AERONAUTICAL ENGINEERING	**M.E VLSI DESIGN**
B.E ELECTRONICS AND COMMUNICATION ENGINEERING	**M.E COMPUTER SCIENCE ENGINEERING**
B.E AUTOMOBILE ENGINEERING	
B.Tech INFORMATION TECHNOLOGY	
B.Tech PHARMA ENGINEERING	

DEPARTMENT OF MECHANICAL ENGINEERING

The mission of the Department of Mechanical Engineering is to produce Mechanical engineering graduates who will possess the acumen, competence, and skills needed to enter, succeed, and lead in professional practice or post-graduate studies. The goal is to provide learning and nurturing environment that stimulates faculty and students to collaborate in solving practical problems, motivates lifelong learning, and helps reach their highest potential.

Mechanical Engineering is one of the most creative, broadest and most versatile of the engineering professions. Mechanical Engineers have initiated and implemented commendable progress in innovative areas like robotics, bio-engineering, microprocessor control, energy conversion, energy management, fluid dynamics, power production, manufacturing, computer-aided design, machine design, and material science. Collectively, the faculty has practical experience, solving real problems in these areas and with this experience they help students develop as transformational leaders.

The Department of Mechanical Engineering offers one program of undergraduate study. The traditional program leads to a Bachelor's Degree in Mechanical Engineering, which is a more structured program that prepares students for a broader range of career options in the field of Mechanical engineering and is intended for students whose career objectives require greater

flexibility in order to combine the essential elements of the traditional Mechanical engineering program with study in another, complementary field.

ASSOCIATION WITH PROFESSIONAL BODIES

Indian Society for Technical Education (ISTE)

Indian Society of Mechanical Engineers (ISME)

International Association of Safety Quality and Environment Management

International Association of Engineering (IAEng)

MECHANICAL ENGINEERING STUDENTS ASSOCIATION

An individual cannot effectively function without the support from others. Understanding this basic principle, we in the Department of the Mechanical Engineering have gathered together to work better in achieving our mission and vision. Thus the Mechanical Engineering Association was born in the year of 2011 to help students gain knowledge by conducting Conference , Symposium, workshops, seminars, Guest Lectures, and industrial visits in order to make the students understand the various concepts with practical sessions and people from the respective industries.

FACULTY LIST

S.No.	Name	Designation	Qualification	Specialization
1	Dr.C.Natarajan	Professor and Principal	Ph.D	Production Engineering
2	Dr.S.R.Rajabalayanan	Professor and Head	Ph.D	Energy Conservation and Management
3	Dr.S.Sekar	Associate Professor	Ph.D	Manufacturing Engineering
4	Dr.T.S.Praveen	Associate Professor	Ph.D	Engineering design
5	Mr.R.Selvendran	Associate Professor	M.E.	Manufacturing Engineering
6	Mr.M.Viswanath	Associate Professor	M.E.	Product Design and Development
7	Mr.J.Dixon Jim Joseph	Associate Professor	M.E.	Production Engineering
8	Mr.K.Kalidas	Assistant Professor	M.E.	Computer Integrated Manufacturing
9	Mr.S.Mathivanan	Assistant Professor	M.E.	Engineering design
10	Mr.K.M.Arunraja	Assistant Professor	M.E.	Engineering design
11	Mr.N.Dinesh	Assistant Professor	M.E.	Manufacturing Engineering
12	Mr.S.Suresh	Assistant Professor	M.E.	CAD/CAM
13	Dr.R.Sundaramoorthy	Assistant Professor	Ph.D	CAD/CAM
14	Mr.Manojkumar Shanmugam	Assistant Professor	M.E.	CAD/CAM
15	Mr.P.Naveenkumar	Assistant Professor	M.E.	Manufacturing Engineering
16	Mr.S.Rajasekar	Assistant Professor	M.E.	Product Design and Development
17	Mr.R.Senthil	Assistant Professor	M.E.	CAD CAM Engineering
18	Mr.P.Dhachinamoorthi	Assistant Professor	M.E.	Engineering Design

19	Mr.D.Ganesh Babu	Assistant Professor	M.E.	Engineering Design
20	Mr.S.Periyasamy	Assistant Professor	M.E.	CAD/CAM
21	Mr.M.Karthikeyan	Assistant Professor	M.E.	Manufacturing Engineering
22	Mr.S.Sivasubramanian	Assistant Professor	M.E.	Engineering Design
23	Mr.Justin Maria Hillary	Assistant Professor	M.E.	Engineering Design
24	Mr.R.V.Rangarajan	Assistant Professor	M.E.	Product Design and Development
25	Mr.Ganesh Kumar. K.V	Assistant Professor	M.E.	CAD/CAM
26	Mr.A.Jeevarathinam	Assistant Professor	M.E.	CAD/CAM

NON TEACHING FACULTY

Event Organized

S.No	Name of the programme	Date	Resource Expert
1	Program on motivation and enlightenment of students for placement	10.06.2020	S.Rahul, Associate Cognizant Ttechnology solutions,Pune
2	Workshop on motivating young engineers	12.06.2020	Mr.Vignesh Govindaraj, Associate Cognizant Ttechnology solutions, Chennai
3	Webinar on “Innovations in industrial product design and development ” in association with SAE India	07.11.2020	Mr.P.A. Hareesh Kumar, Senior Engineer, Integral Coach Factory (ICF), Chennai.

4	Webinar on “Carbon Neutrality and Industrial Sustainability”	27.06.2020	Mr.P.A. Hareesh Kumar, Senior Engineer, Integral Coach Factory (ICF), Chennai.
5	My story- motivational session by successful entrepreneur /startup	16.11.2020	Er.MANIKANDAN.P Founder & Managing Director, M/s Ankusam Engineering Pvt. ltd, Coimbatore
6	Webinar on scope in rural entrepreneurship & business plan preparation	28.11.2020	Mr. M.Sai Kiran, REDC Coordinator, MGNCRE, MOE, GOI.
7	Awareness program on career opportunities in Defence sector	29.01.2021	J.Johnson,Creations Academy
8	One day workshop on prototype/process design and development – prototyping	15.03.2021	Mr..Vignesh.,B.E,CEO,Design Uploads ,Coimbatore
9	Online national level conference emerging trends in engineering design and manufacturing ETEDM-21	25.03.21 to 26.03.21	Mr.P.Manikandan MD/Angusam Engineering
10	Webinar on innovation in design	27.03.2021	Mr.Jayapraksh, Senior Project Manager, Robert Bosch, Bangalore

11	Training program on fighting covid-19 using 3d printing technology	31.05.2021	Mr.A.Rahul M/S Crazy Makers Coimbatore
12	Online software training program	09.06.2021 to 19.06.2021	Placement and Training Centre
13	Work shop on heat ventilation & air conditioning	15.06.2021	Mr.N.BHARATHI RAJA, MEP Design Engineer, Aghora Design Academy, Coimbatore
14	Practice session on yoga practice for healthy lungs: fighting COVID 19	18.06.2021	Prof.M.Viswanath Hi Tech/Mech
15	Organization of yoga day program on “mudras and meditation for peace and ease”	19.06.2021	R.V.Rangarajan,Mudras Practicioner
16	Webinar on 'yoga-part of life'	21.06.2021	Smt.Sumathy Muthusamy Secterary, Arivuthirukkovil, Pollachi
17	Organizes one day webinar on additive manufacturing and its career opportunities for mechanical engineers	24.06.2021	Mr.T.U Vishnu CEO, Mecheen Innovation.
18	Webinar on e-waste management: a challenge to public health in India	15.07.2021	Mr.Yokesh.K.S Service Co-Ordinator, Trr Automotive(JCB India Pvt Ltd), Krishnagiri.

19	Expert lecture on introduction to BIM	06.08.2021	Mr.Arun Nair CEOL Ateliere Engineering
20	Workshop on building the future	21.08.2021 to 24.08.2021	Mr.G.Veera Raghavan MD/Myon Digital Media
