## ABOUT THE COLLEGE

Hindusthan Institute of Technology is one of the leading Engineering Colleges imparting quality Technical Education to the aspirants from Tamilnadu and other neighboring states. It is run by Hindusthan Educational and Charitable Trust under the leadership of Sri.T.S.R.Khannaiyann and Smt. T.R.K Sarasuwathy Khannaiyann.

The Institution was established in the year 2007 and is affiliated to Anna University Chennai. The Institution is well known for its high educational standards with excellent infrastructures, spread over 200 acres and is located on the Coimbatore - Pollachi National Highway. The Institution currently offers 7 UG and 3 PG programme

## ABOUT THE DEPARTMENT

The Department of Electronics and Communication Engineering was started in the year 2007 with vision to develop Centre of Excellence in the wide area of Electronics & Communication Engineering Field and to promote innovative research and development.

The department has well equipped laboratories with latest simulation Software and eminent faculty member with good academic records. Our Department got **Research Centre** Recognition from Centre for Research Anna University Chennai.The department has established **Centre of Excellence** in the field of Embedded Systems powered by Texas Instruments and PLC & SCADA by Genn Automation powered by Siemens.

## VISION

To develop value based professionals with a strong foundation in Electronics and Communication Engineering and innovative technical skills with eminent leadership qualities and ethical conduct.

## MISSION

MD1: To establish a conducive and inspiring learning environment towards value based education.

MD2: To educate the students with the state of art technologies to meet the growing challenges of the industry and to guide them towards research in varied fields of Electronics and Communication Engineering.

MD3: To provide a quality system for wholesome learning to achieve progress and prosperity in life along with moral values**.**

## OBJECTIVE OF THE SEMINAR

This Seminar aims to explore the application of digital twins in different aspects of electric or hybrid vehicles. Main objective is to bring together leading academicians, researchers and industrialists to discuss and create awareness on the Digital Twins for E-Vehicles.

## Topics Covered

- Building efficient electric vehicles with digital twins.
- Applications of the digital twins in electric and hybrid electric vehicles at both component and system levels (car level)
- Digital twins for health monitoring of the energy storage systems, electric motors, motor drives, and other drivetrain components Internet of things, Modelling and Simulation Techniques for Dynamic Systems
- New applications of the digital twins in autonomous driving and driving assistant systems
- New sensing technologies for improved digital twin functioning
- Cybersecurity of electric vehicle digital twins

## ELIGIBILITY

Faculties from Engineering colleges, Research Scholars, Industrial Persons and UG & PG students are eligible for the Seminar.

## ACCOMMODATION

Accommodation and boarding if required will be provided in the college premises.

## REGISTRATION FEE

All participants have to pay the registration fee by Demand Draft in favour of 'The Principal, Hindusthan Institute of Technology', Payable at Coimbatore. Spot Registration is also available.

| | | |
|---|---|---|
| For Academicians | : | Rs.300 |
| For Industrialists | : | Rs.400 |

## SCHEDULED DATES

| | |
|---|---|
| Last Date for Receipt of Applications | : 10.10.2023 |
| Intimation of Selection | : 11.10.2023 |
| Confirmation by Participants | : 14.10.2023 |
